

MESSAGE FROM THE PRINCIPAL

"Inside all of us is a hidden dream". Our college newsletter is a platform for our students to show their creative abilities, hidden dreams and aspirations of writing. Our newsletter aims towards bringing out the latent talent in our students through articles, poems, quizzes and experiences. We encourage our students to put their thinking caps and create...

I express my considerable appreciation to all the authors of the articles in the newsletter. These contributions have required a generous amount of time and effort. It is this willingness to share knowledge, concerns and special insights with fellow beings that has made this newsletter possible. Thank You all!!

SCHOOL INTERNSHIP

Our students started their school internship programme on 11th October 2019 in their designated schools. Divided into five groups, with each group led by a mentor, the schools they are doing their internships are Saraswati Vidya Mandir, Tilothu High School, Amaltas Niketan, Son Bandh Pariyojna High School, Indrapuri Middle School and Dehri on Sone High School. The 2nd year students of B.Ed. and D.El.Ed. are 'Practice Teaching' whereas the 1st year students of both the courses are doing 'Teaching Observation'.

DIWALI CELEBRATION

Diwali, the festival of lights was celebrated in the college on 25th October with great enthusiasm by the students. On this occasion students made beautiful rangolis and decorated the celebration stage with diyas. The Chairman, Sri. Ranjit Sinha, Vice Chairman, Smt. Ranjana Sinha and our Trustee, Sri. Yashvir Sinha joined us for the pre-Diwali celebration and blessed the occasion. On this special day, our students and faculty members visited the village behind the college and distributed sweets, crackers and candles to the less-privileged families. This effort was led by Sri. Yashvir Sinha.

Students distributing sweets & crackers on Diwali

STUDENT'S ARENA

The first day when I had visited the college, I was feeling very nervous. I had no idea about the students and the teachers of the college. All the time I was thinking about the behavior of the students and the teachers with me. But slowly, as time passed, I felt the fear inside me beginning to vanish and the people around me whom I was afraid of interacting with, suddenly appeared friendly. I felt gradually the environment of the college became favorable to me and more adjustable. The classrooms are very clean, airy and ventilation is too good. The surrounding areas of the college are entirely covered with greenery. The campus is full of trees and the lawn is covered with well-maintained green grass. The classes are conducted regularly and the teachers are very supportive and helpful. The regularity had brought enormous change in us and I personally feel that change in myself. The classes are conducted in an interactive manner and all the students get the opportunity to express themselves. Regular co-curricular activities are conducted in the college. Special Hour is one of the activities which is conducted every month on special days like birth anniversary of some great personalities and on days which are recognized as special days by the society, the Government, or the rest of the world. On these days all the students of B,Ed as well as D.El.Ed get a chance to present their specialties in terms of speeches, poems or songs. I always participate in these activities and this all have been possible only because of AMALTAS COLLEGE.

- Richa Prakash (B.Ed, FY)

प्रकृति का अनूठा उपहार 'अमलतास'

मुझे यहाँ आए अभी कुल तीन महीने ही हुए हैं किन्तु इतने कम समय में ही यहाँ का प्राकृतिक सौंदर्य बरबस ही मुझे अपनी ओर आकृष्ट कर रहा है। जहाँ मैं अभी निवास कर रहा हूँ उसके चारों ओर फैली हरियाली लोक लोचनों को अपनी ओर आकर्षित करने में सक्षम है। कहीं आम, लीची, कटहल और सागवान के सघन वृक्षों की अमरुद, नीबू, ताड़ व बांस की लंबी-लंबी कतारें अपने सर्वसुलभ सौंदर्य से यहाँ के निवासियों और प्रशिक्षणार्थियों का मन मोह लेती हैं। धरती पर नजर डालता हूँ तो दूर-दूर तक हरियाली ही हरियाली। जैसे यहाँ हरा गलीचा बिछा दिया गया हो। प्रकृति की भरपूर कृपा है यहाँ पर। हाँ, मैं बात कर रहा हूँ अपने प्रिय महाविद्यालय 'अमलतास कॉलेज ऑफ एजुकेशन' की ओर यहाँ के प्राकृतिक सौंदर्य की। ग्रीष्म ऋतु अब बीत चुकी है, शरद की सुनहरी धूप तन - मन को हर्षित कर रही है। सोन किनारे बने महाविद्यालय की विशाल इमारत अपने आप में सौंदर्य का एक साधन बन गई है। सोन का विशाल सागर, सागर किनारे माँ भद्रकाली-शंकर-हनुमान का पवित्र मंदिर और इनकी सुंदरता पर चार चांद लगाता विद्या मंदिर 'अमलतास कॉलेज ऑफ एजुकेशन'। प्रकृति तेरा भी कोई सानी नहीं।

महाविद्यालय प्रशासन और यहाँ के विद्यार्थियों का मधुर व्यवहार मुझे घर की याद ही नहीं आने देता। यहाँ के विद्यार्थी इतने अच्छे हैं कि उनकी अच्छाइयों का वर्णन करने के लिए मेरे पास शब्द ही नहीं हैं। उनका मेरे प्रति व्यवहार और सद्भाव ऐसा है जैसे वे मुझे पिछले अनेक वर्षों से जानते हों। मुझे पहले दिन ही इस बात का आभास हो गया था कि यहाँ के बच्चों में कुछ विशेष बात तो है। बस उन्हीं के अंदर छिपी प्रतिभा को निकालने और निखारने में व्यस्त हूँ। प्रकृति के साथ ही साथ बच्चों का भी पूरा प्यार, स्नेह और सम्मान ही यहाँ रुकने को मुझे संबल प्रदान करता है।
