

## International Literacy Day Celebration

International Literacy Day was celebrated on 8th September 2021 in the college premises. It also happens to be the birth anniversary of our principal donor Late Smt. Saroj Agarwal.

The program started with the lighting of the lamp by our Chairman Sri Ranjit Sinha, Vice Chairperson Mrs Ranjana Sinha and Trustee Mr Yashvir Sinha. Sri Ranjit Sinha graced the occasion with his heart touching speech about the reach of literacy and education in our country. He also explained the difference between literacy and education.

Assistant professor Mr Shashi Kumar Shekhar spoke about literacy and education for all. He also talked about the digital divide which has occurred due to the limited reach of online education. His colleague Mr Rupesh Kumar Pandey presented on "literacy in global context". He spoke on educational accessibility and dropouts of school students across the globe.

Our Visual Arts teacher Mr. Roshan Kumar introduced an initiative on "Adult Education" - a curriculum for illiterate adults in the vicinity of the college. This will be a short term basic course to enable them to read and write.

## Orientation | D.El.Ed. 2021-23 Session

The orientation of D.El.Ed. academic session 2021-23 was organised on 7th December 2021 in the college seminar hall.

The session aimed at giving an overview about the academic course to be pursued by the students followed by a formal introduction session with teachers and the staff members.

## Internship | Observation & Practice Teaching

Teaching internship is a very important component of every student-teacher's training. Students are required to do 4 weeks of observation and 16 weeks of 'practice teaching' in local schools, as part of their curriculum specified by National Council for Teachers Education, a statutory body of the Government of India to monitor standards, procedures and processes in the Indian Education system. Due to the second wave of the pandemic, the internship was delayed and reduced.

The students of D.El.Ed. and B.Ed. first year completed their teaching observation in various schools in the month of October 2021, while the second year D.El.Ed. students did their practice teaching during this period.
